ABSTRACT

Varied information sources on higher education held by the Arkansas University library are listed. The publications, which are organized by type of material include abstracts and indexes, sources for dissertations and theses, directories of educational personnel and institutions, dictionaries, encyclopedias, handbooks, statistical sources, and bibliographies. Appropriate card catalog subject headings are listed and periodicals grouped by subject--community colleges; curriculum and instruction; faculty personnel; historical, philosophical, and social developments in education; instructional media; organization and administration; research; and student personnel. Complete bibliographic citations, including call number, are given for all items except journals for which the call number and university holdings are given. Some items are annotated. (MBR)

ABSTRACTS AND INDEXES

American Statistics Index: A Comprehensive Guide and Index to the Statistical Publications of the U.S. Government, v.1, 1973-date. (Index Z 7554 U5 A46)
Many Office of Education publications are indexed in this title, and some OE numbers are listed in the back of each index volume. More detailed indexing of the contents of federal publications of a statistical nature is given through this set than through the Monthly Catalog.

Business Education Index, v.1, 1940-date. (Index Z 5814 C7 B85)

Current Index to Journals in Education (CIJE), v.1, 1969-date. (Index Z 5813 C8)
Covers the education-related articles in over 700 periodicals.

Education Index, v.1, 1929-date. (Index Z 5813 E23)
Covers all the articles in approximately 230 education journals.

Educational Administration Abstracts, v.1, 1966-date. (Index Z 5814 M26 E3)

Research into Higher Education, v.2, 1968-date. (Index L 11 R42)
Predominately covers publications describing research, but also reference works, reviews, and important articles. British in origin.

U.S. Educational Resources Information Center. Resources in Education, v.1, 1966-date. (Index Z 5813 R4)
Formerly called Research in Education and often referred to as RIE, this monthly publication indexes and abstracts the ERIC document collection. A gap was left by ERIC in the numbers, thus this set begins with ED 010 000 and continues to date consecutively.

U.S. Education Resources Information Center. Thesaurus of ERIC Descriptors, 6th ed. 1975. (Index Z 695.1 E34)
A list of the subject headings used by ERIC in both CIJE and RIE, this is an important starting point for either a manual or computer search.

DISSERTATIONS AND THESES

American Doctoral Dissertations, 1933-date. Title varies. Annual. (Ref Z 5055 U49 D6)
Includes dissertations not in Dissertation Abstracts.

Dissertation Abstracts International, v.1, 1938-date. Title varies. (Ref Z 5055 U5 A53)

Research Studies in Education: A Subject Index of Doctoral Dissertation Abstracts, Reports and Field Studies, 1941-1970. (Ref Z 5811 R4)
This is an author and subject index of doctoral dissertations, reports and field studies; and a research methods bibliography.

Reynolds, Michael. A Guide to Theses and Dissertations: An Annotated Bibliography of Bibliographies, 1975. (Ref Z 5053 R49)
Has an extensive section on education

COLLEGE CATALOGS

The college catalogs will be found on microfiche in the Audio Visual Room on Level One. There is an index to the fiche collection which can be obtained at the AV Reference Desk. Career Placement has hard bound copies of college catalogs.
